

**Cradled in the scriptures...
...the Living Word is revealed**

See the Bible come to life.

This course provides the basic framework needed to understand the sweep of the Bible's narrative, and thus see how all the 'jigsaw pieces' of Scripture fit together.

Gain deeper insights into the profound, radical nature of Jesus' life and ministry with **See Through the Scriptures!**

"A person can read the Bible and not really 'get it,' but this course adds that extra element of clarity, especially the history and culture of Jesus' time and before."
